

BOOBIE

In what?

TONY

I wasn't calling you Dumbo, it's the name of this area.

BOOBIE

Really?

KAYA

Enough. I've been trying to let you fail into letting me lead but you don't even know when you're failing. So let me assist. The ramp to the bridge is this way.

KAYA leads them In the opposite direction.

TONY

I say we follow her.

BOOBIE

Whatever. Kikimo

As the INFINITE DOOBIE ignites HATSHEPSUT and CLEETUS appear behind BOOBIE.

HATSHEPSUT

You don't even say a blessing before the reasoning. You disrespect the Forever Spliff.

CLEETUS

They also walk while reasoning. Tacky.

KAYA spins around and rushes to TONY and BOOBIE's side in her fighting stance. TONY and BOOBIE look around for an exit strategy.

KAYA

Who are you?

HATSHEPSUT

I am Hatshepsut, this is my squire Cleetus Blud.

CLEETUS

Aye.

HATSHEPSUT

We are Rastafarian. We are here to protect the Forever Spliff.

BOOBIE

You mean the Infinite Doobie?

CLEETUS

Yes, it goes by many names over the centuries. In my home country of Nigeria we call it Yaba Toke Toke. You two stewards walk while reasoning with it?

TONY

What?

BOOBIE

Is that english?

KAYA relaxes, realizing they now have more allies.

HATSHEPSUT

Cleetus means no disrespect stewards, our ways of consuming the ganja are a little different.

BOOBIE

Stewards? We aint on a boat my nigga.

KAYA

Yes, Boobie, you and your nephew are stewards for the Infinite Doobie. Fate has tasked you two with the safety and protection of this sacred item.

CLEETUS

A task I don't think the two of you are ready for. Maybe she, but not you two.

TONY side eyes CLEETUS.

TONY

What's wrong with us

BOOBIE

That chicken spot right there used to have dance offs for free chicken. I swear to God my man True Born Allah had a run in with the manager back in

the day because he was doing the pepperseed for twenty minutes and still aint get no chicken.

KAYA side eyes TONY.

KAYA

The spirit of Mansa Musa has chosen them. I trained for years at the temple, but was not chosen, so I understand your frustration. We must trust fate and the spirits. I was adopted by Master Satavius when I was an infant and trained in the ways of the THC my whole life.

HATSHEPSUT and CLEETUS nod.

HATSHEPSUT

We will accompany you to the temple.

TONY stares at KAYA, intrigued the respect she commands from these strangers.

CUT TO:

EXT. BROOKLYN BRIDGE - DAY

DEE stands on the bike path with three GMNT agents.

DEE

Do you have the weapon ready?

GMNT AGENT 1

I have it plugged into the USB, it's charging. Ready to fire in 6 seconds.

Another agent, sitting with the car door open adjusts a power cord connected to the dashboard. The other end is attached to a suitcase sitting in the front seat.

DEE

Everyone stay icy. I'll engage the main fugitives. You three work on detaining their security force until I can use the weapon.

GMNT AGENT 2

Copy that sir.

TONY, BOOBIE, KAYA, CLEETUS and HATSHEPSUT turn a corner as
