

~~TONY~~

~~Thank you Master Indicus! I will find him and we will repair the doob!~~

~~MASTER INDICUS~~

~~I believe that you will. But I need to do my part as well.~~

~~MASTER INDICUS pulls out a cell phone and starts dialing. As she does a camera on a light pole goes from focusing on TONY running down the street to her face.~~

~~CUT TO:~~

INT. GMNT BUILDING

GMNT AGENTS are startled by an alarm going off. On the screens around, them maps zoom in to a blinking dot in Manhattan.

GMNT AGENT 1

Sir. Ma'am. Commander. The trackers have reconnected with the signal. We've got them.

HATSHEPSUT

Yes. It doesn't look like either one of them is moving with a purpose.

One of the blips starts moving quicker.

HATSHEPSUT

Hold on. Someone found a reason to keep hope alive.

GMNT AGENT 1

Should we deploy units?

HATSHEPSUT

No, let's wait until they congregate, then we'll make our move. Destroy them all in one place.

~~CUT TO:~~

~~INT. TEMPLE - DAY~~

~~MASTER SATAVIUS, ZHI ROU, CLEETUS, KAYA and HACK discuss their current options.~~

~~TONY~~

~~It's about weed, but more than just  
weed. This is about fellowship!  
Camaraderie! And...and...~~

~~TONY looks at BOOBIE who nods.~~

~~TONY~~

~~And the best weed I have ever smoked.~~

~~CLEETUS~~

~~Ya man!~~

~~HACK~~

~~I have the info~~

~~MASTER SATAVIUS~~

~~Let us burn one before we head out.~~

INT. GMNT BUILDING

BOOBIE sits handcuffed and gagged to a chair in an empty dimly lit room. HATSHEPSUT walks up to him and removes his gag.

BOOBIE

Thank you Hatshepsut. I knew the real you was still in there.

HATSHEPSUT

You don't know the real me, we just met today.

BOOBIE

You remember that?

HATSHEPSUT

Yes, stupid. The calcifier doesn't erase memories. I can recall everything.

BOOBIE

So why are you working for the GMNT now?

HATSHEPSUT

The calcifier cleared the THC cobwebs out of my brain. I can think clearly now.

BOOBIE  
Yeah, what are these clear thoughts?

HATSHEPSUT  
Order is the most important thing.  
Smoking marijuana is chaos.

BOOBIE  
But you used to smoke weed.

HATSHEPSUT  
What I want is for the secret of the  
artifact to be lost to humanity  
forever. Marijuana is detrimental to  
human progress.

HATSHEPSUT pulls out a menacing device.

HATSHEPSUT  
Where are the remains of the artifact?

BOOBIE  
My nephew has them.

HATSHEPSUT  
Wow, that was easier than I thought.

BOOBIE  
You won't find him.

HATSHEPSUT leaves the room, a GMNT AGENT enters to stand guard. BOOBIE stares at her silky pony tail.

BOOBIE  
Hey, um, I got bundles.

~~INT. CAR - DAY~~

~~DEE checks his weapon riding in the back seat, as the SHOTTAS  
around him smoke a spliff.~~

~~DEE  
I cant concentrate with that filth in  
the air.~~

~~SHOTTA 1  
That's your problem dred  
hahaha~~

~~SHOTTA 2  
Hahahaha~~

~~DEE kicks one of the SHOTTAS out of the car and into street traffic.~~

~~DEE~~

~~Your asses belong to me now! And that means no more dirty weed!~~

~~A hand flicks a blunt out the window of the speeding vehicle.~~

~~CUT TO:~~

~~EXT. GMNT BUILDING - DAY~~

~~KAYA, TONY, HACK and CLEETUS pull up outside the GMNT building in a new car.~~

~~LOWER THIRDS: Transportation provided by NyceCars~~

~~HACK~~

~~This is it, we get Boobie and then he tells us where we can find the Prime Fronto.~~

~~KAYA~~

~~We find the fronto, restore the doob and finally return it to its sacred place in the temple.~~

~~CLEETUS~~

~~Where everyone can partake.~~

~~HACK~~

~~I like the sound of that.~~

~~TONY~~

~~Let's go get my uncle.~~

~~They pile into the car and pull off.~~

~~CUT TO:~~

~~INT. GMNT BUILDING - DAY~~

~~As BOOBIE creeps through the hallway, a GMNT AGENT walks toward him. He grabs the nearest door and swings it open, sliding behind the front side closest to the wall. BOOBIE's phone vibrates with a text alert.~~

~~HACK(TEXT)~~

~~You alive?~~

The GMNT AGENT pauses but passes without a glance. Relieved BOOBIE starts to shuffle off but catches a glimpse of what is in the room.

BOOBIE  
What the fduck...

~~EXT. GMNT BUILDING - DAY~~

~~HACK uses his phone to hack the power so they can sneak in undetected.~~

~~HACK  
You've got about 12 minutes before  
their system realizes what I've done  
and creates a counter algorithm.~~

~~TONY, KAYA, CLEETUS and HACK sneak into the building through a lower level door. KAYA passes TONY a smoke filled vial.~~

~~KAYA  
Take this, you might need it when  
we're not around.~~

~~CUT TO:~~

~~INT. TEMPLE - DAY~~

~~MASTER INDICUS rolls a doobie.~~

~~MASTER SATAVIUS  
What's that?~~

~~MASTER INDICUS  
I have a stash of the Crystal Buds.~~

~~MASTER SATAVIUS  
It won't burn infinitely without the  
fronto and papers.~~

~~MASTER INDICUS  
I mix it with Ethiopian Singularity  
Hash. It gets you high as shit. But  
there is another very interesting  
effect.~~

~~MASTER INDICUS takes a toke of the joint she just rolled and passes to MASTER SATAVIUS who inhales deeply. The smoke fills their conscious, visions of the future flash in front of~~

~~them.~~

~~MASTER SATAVIUS~~

~~We must leave for Central Park  
immediately!~~

~~MASTER INDICUS~~

~~Yes, we must.~~

~~CUT TO:~~

~~INT. GMNT BUILDING - DAY~~

~~GMNT AGENTS find our heroes in the staircase. HACK turns  
around, heading back downstairs as it gets real. CLEETUS

through alternate doors.~~

INT. GMNT BUILDING - DAY

BOOBIE peers around the room covered with surveillance photos of himself and TONY. Video screens replay their confrontation with the GMNT in front of the dry cleaner, as well as a live feed inside TONY's apartment.

BOOBIE

Motherfuckers been watching us the whole time. How did they get in the crib?

His attention is drawn to a wall with a map and three large circles surrounded by holy symbols he's seen before at the MANSA MUSA shop. He traces the symbols and markings on the map.

BOOBIE

They're trying to put together a new doob. Emberless Bark, Crystal Buds.

His hand traces over a marking at Central Park.

BOOBIE

The Prime Fronto.

Movement catches BOOBIE's eye from one of the monitors. It's the live feed from TONY's apartment. VICTORIA walks into the cameras frame, apparently aware of its placement. She even adjust the angle a bit.

VICTORIA

Hello, control? Do you copy? I haven't had contact with the targets in over 12 hours. Should I deploy or wait for their return?

BOOBIE

Fucking knew it.

The door swings open, HATSHEPSUT stands in the doorway aiming THE CALCIFIER.

HATSHEPSUT

Let's go. Your friends are here, we wont be disappointing them.

~~INT. GMNT BUILDING - DAY~~

~~In the staircase, TONY and KAYA spot HATSHEPSUT going towards the roof. HATSHEPSUT picks up speed as BOOBIE is forced up the staircase. Cleetus is trailing behind. He reaches into his fanny pack and pulls out a small container with dried mushrooms. He swallows the shrooms and double times to catch up to the others.~~

~~BOOBIE~~

~~Save me nephew!!~~

~~TONY and KAYA double time up the stairs toward the roof.~~
